

SPRING PHOTOGRAPHY WEEKEND

FRIDAY, MAY 21 – SUNDAY, MAY 23, 2010

Capture *Spring*

Capture the beautiful spring colors around PEEC with professional photographer John Barclay. Photograph waterwheels, reflections, old barns, and more! This workshop will teach participants about exposure, composition, depth of field, and quality of light. It is geared towards DSLR type cameras. A good tripod is recommended.

4pm Friday – 1pm Sunday
