

PEEC

Pocono Environmental
Education Center

Looking for Fund Raising Ideas?

Bringing a group to PEEC is a 'once in a lifetime' opportunity. However, due to some school district budget restrictions, many teachers are responsible to raise needed funds for a PEEC trip.

If your school is experiencing funding cuts, try one of these ideas:

- ⇒ Hold a Read-A-Thon
- ⇒ Do Community Service
- ⇒ Talk with Community Organizations
 - Kiwanis
 - Rotary
 - Lions
 - Other groups and businesses in your community that support youth and the environment
- ⇒ Local Businesses might assist you
- ⇒ Start planning the fund raisers right after your previous class has returned from PEEC!
- ⇒ Find fund raisers that have an environmental twist, like selling flower bulbs or products made from recycled materials
- ⇒ Check out these fundraiser links-
www.fundingfactory.com
www.cccashusa.com
www.easy-fundraising-ideas.com/products/recycling-fundraisers
<http://www.fundraiserhelp.com/earth-friendly-fundraisers.htm>
<http://www.seedsavers.org/Education/Fundraiser-for-Schools/>
http://www.fedcoseeds.com/seeds/seed_school.htm
- ⇒ Grants! Do an online search. Even small ones may help cover the cost of transportation.
- ⇒ Never underestimate the power of networking. Tell everyone you know that you NEED to come to PEEC!

POCONO ENVIRONMENTAL EDUCATION CENTER

538 Emery Road * Dingmans Ferry, Pennsylvania 18328

*PEEC is close to home,
where learning comes naturally!*

PEEC is located off of Route 209 inside the Delaware Water Gap National Recreation Area in Dingmans Ferry, PA.
